**COMMENTS:** Applicant have received the attached Notice to File Missing Parts mailed March 7, 2005, requiring submission of the oath for Application Serial No. 10/827,527. However, a duly executed Declaration was filed in the USPTO by facsimile on November 1, 2004. Attached are copies of the facsimile transmission sheet indicating successful sending of 5 pages, including a Credit Card Payment Form (1 page), Transmittal Letter for Submittal of Missing Parts (1 page), Declaration (1 page), and Notice to File Missing Parts (2 pages). Counsel for Applicant faxed these papers twice on November 1, 2004, because no transmission sheet was received the first time the papers were faxed. It is respectfully suggested that the USPTO may have erroneously disregarded the second complete transmission as a duplicate. In view of the foregoing comments and accompanying documentation, Applicant requests that the filing requirements for the present application be deemed complete as of November 1, 2004.
